

## ***Caney Valley Kindergarten - 5th grade student Insurance form.***

Due to a disproportionate number of repairs in the previous school years, students in K-5th grades will be assigned a Chromebook that will be kept at school for the Elementary. We have implemented this 1-stay policy so that we can more easily hold students accountable and responsible for their actions.

Because the Chromebooks are staying in the classes we will utilize the following insurance **plan B: All students that want insurance plan B** will pay \$10 to have the insurance. This insurance must be paid for during the enrollment process. If or when the students damage/break their class assigned Chromebook they will need to pay a \$10 copay to get it fixed and \$10 copay every time that their device needs to be repaired, up to the amount of replacing the device which would be \$300. At that time you will be considered to have met your "deductible". If insurance plan B is not taken the student will have to pay the full amount of each repair.

The insurance will cover 100% of the cost of the first damage incident, 50% of the cost of the second damage incident, and 0% of the cost of subsequent incidents.

The Insurance Program is a voluntary program and families are encouraged, but not required, to participate.

I acknowledge that I have reviewed the Caney Valley Public Schools Technology Use Agreement and accepted the responsibility for the district-issued Chromebook. I understand that I am fully responsible for damage, repair, and replacement costs incurred while the Chromebook is issued to my student. Please select below whether you choose to accept or decline Chromebook Insurance.

***Keep in mind, according to the [Responsible Use Agreement](#), parents are responsible for the full cost of any repairs to the Chromebook, charger, or case.***
