++++**JUNIOR HIGH PARENTS**-- Athletes usually DO NOT return back to school in time to ride the bus home. There is no way for me to predict when a track meet will be over. We usually return home around 4-5. With that said when we leave each meet your child will be instructed to call and let you know our approximate arrival time. This will give you no less than 30 minutes warning. Someone will need to be waiting to pick them up upon arrival.
