

Caney Valley Middle School packet pick up instructions.

Parent Packet pickup instructions:

Where: Middle School/High School campus only. Sorry, my plan was to have a pickup at both campuses but it just didn't work out.

AM: 9:30 to 11:30

PM: 3:30 to 5:30

Pickup will be drive-thru only. Enter the parking lot from the East side (one way). Pull up by the stage entrance. You will see the tables. Please do not get out of your vehicle. State the students name and grade. If needed, the food pick up will be further down by the cafeteria. If food is not needed just exit the line and parking lot by the admin building.

Please clearly state: Name and grade: 1 at a time for whomever you are picking a packet up for.

Grades: Yes, grades can and will improve with every assignment that is turned back in.

Turn in: If possible please take a picture and email it to your teachers weekly. All work has to be turned in by the 8th of May.

Building entry: Not available at this time

We are not currently letting anyone in the building, however, please call the MS office if your child has something **essential** that they must have. Everything else will need to wait until a later date. If you are picking up medicine please email me or call the office and we will have it ready for you during pick up times.

Library books: if you have them at home you can drop them off at pick up.

Let's try to be positive through this process. Please share this and call anyone that might not see this post. Let's come together as a community and help each other out. Contact me if other arrangements need to be made.

A special thanks to:

Ramona Bank of Oklahoma: for helping copy packets

Dollar General: for donating bags

Teachers for all their hard work. Thank you for caring about our students.

The community, parents, and students for being supportive and patient.

Sincerely,

Mr. Scheihing
