Hello!

We are excited to announce that we have the opportunity to work with Cherokee Nation on the Summer Nutrition EBT program. Households that receive direct certification for Free/Reduced meals will have the opportunity to participate with USDA Summer Nutrition Program operated by Cherokee Nation Public Health. As a school district we will be helping with student data verification and share this with the Cherokee Nation agency. If you refuse, it **will not** affect any government assistance that you or your child may be currently receiving. If you have questions regarding the project, please contact Cherokee Nation at 918-453-5257 or 918-453-5572.

If your household **does not** wish to participate, please sign and return this form to the office by **Friday, February 2, 2024.**
